Arch Tower Desk Clock

Tall, arched silhouette

A tall, softly arched desk clock in natural beechwood. The recessed rounded dial carries fine laser-engraved minute markers, with a bold red second hand adding a single accent of colour. A clean, architectural piece for the executive desk.

- Natural beechwood finish
- Engraved minute markers
- Red second hand

Hexagon Desk Clock

Geometric, modern, balanced

A crisp hexagonal frame with a carved-in dial and precisely engraved hour and minute markings. Its geometric form brings a contemporary character to reception counters, workstations and boardroom tables.

- Hexagonal beechwood body
- Engraved dial markings
- Contrast black and red hands

Teardrop Numeral Clock

Friendly numerals, curved form

A teardrop-shaped clock with a deep, rounded dial and hand-style engraved numerals. Warm, approachable and easy to read, it makes an ideal everyday gift for staff and clients alike.

- Teardrop beechwood body
- Engraved numerals 1–12
- Sculpted, rounded dial

Pebble Round Clock

Smooth, tactile, compact

A smooth, pebble-like round clock with a generous recessed dial and engraved numerals. The softly turned edges feel pleasant in the hand and sit comfortably on any desk or shelf.

- Turned round beechwood body
- Engraved numerals 1–12
- Polished natural finish

Pedestal Dome Clock

Sculptural, standing design

A round clock face lifted on a slim turned stem and a solid domed base. Its sculptural profile gives the piece real presence, making it a distinctive centrepiece for a desk, console or display shelf.

- Turned stem and domed base
- Deep-set engraved dial
- Red second hand

Teardrop Classic Clock

Refined hands, fine index marks

The teardrop silhouette paired with a finely engraved index dial and ornate, vintage-style hands. A graceful blend of traditional detailing and modern wooden form.

- Teardrop beechwood body
- Fine engraved index markers
- Decorative black hands

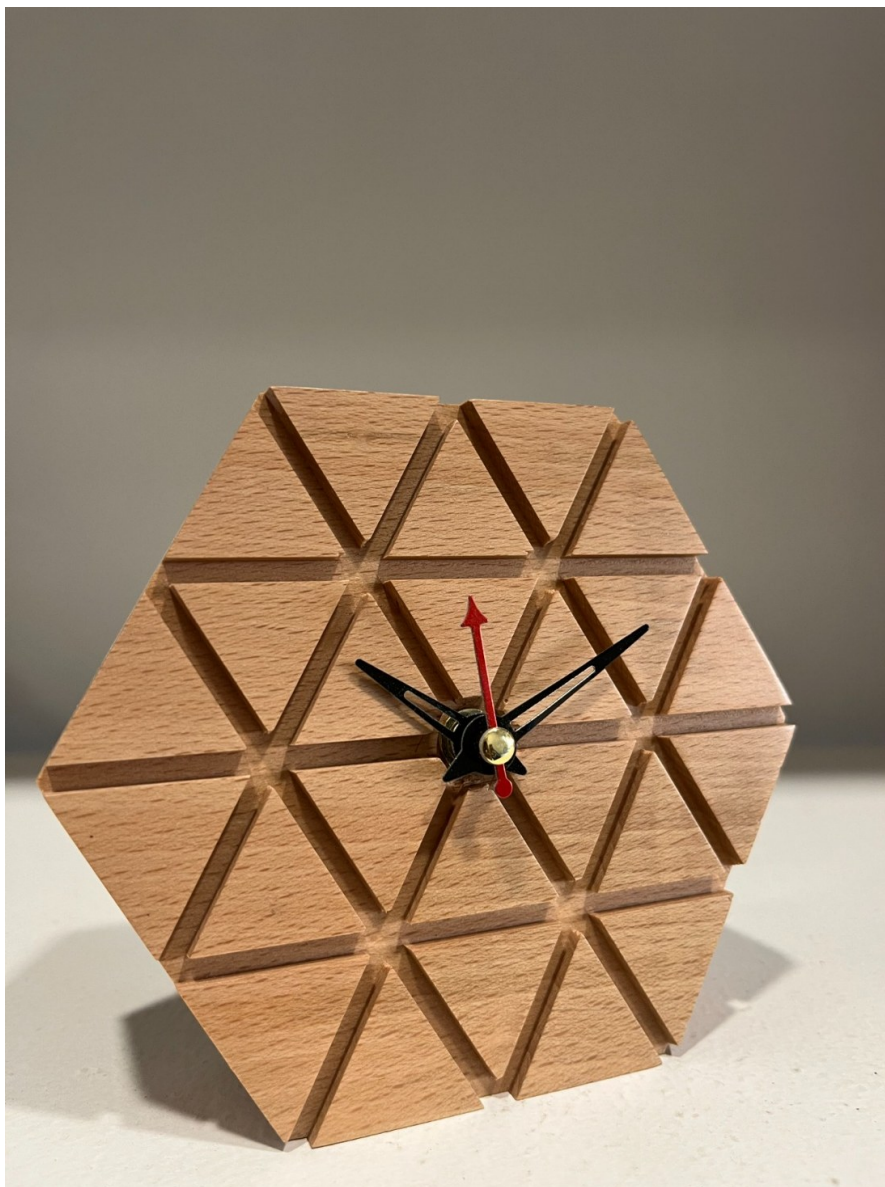

Soft-Square Desk Clock

Clean lines, easy to read

A soft-cornered square clock with a recessed dial and clearly engraved hour markers. Simple, honest and highly legible – a versatile choice for corporate gifting at any scale.

- Rounded-square beechwood body
- Bold hour markers
- Black hands, red second hand

Facet Hexagon Clock

Textured, statement piece

A hexagonal clock whose face is carved into a pattern of raised triangles, creating a striking play of light and shadow across the natural grain. A bold design piece for modern offices and gifting collections.

- Carved triangular facets
- Natural beechwood grain
- Minimalist numeral-free face

Bloom Round – Clock & Bud Vase

Time and nature in one piece

A rectangular wooden stand combining a round engraved clock with a glass bud vase set into a circular cut-out. Dried flowers add a soft, natural touch – a thoughtful gift that is both useful and decorative.

- Clock plus glass bud vase
- Circular cut-out detail
- Beechwood finish

Bloom Square – Clock & Bud Vase

Time and nature in one piece

A companion to the Bloom Round, this version pairs a soft-square engraved dial with a glass bud vase held in a circular cut-out. Elegant on a desk, side table or reception counter.

- Clock plus glass bud vase
- Soft-square engraved dial
- Beechwood finish

Suspended Clock & Pen Stand

Executive desk accessory

A wooden clock face hanging gracefully from a sleek metal arm, mounted on a polished mahogany-tone base with a built-in tray for pens and small items. A premium, functional presentation piece for senior management and VIP gifting.

- Hanging wooden clock face
- Metal arm with polished wooden base
- Integrated pen and accessory tray
